MYSIDELINE

RELEASE NOTES 7.22.1

31/08/2022

What did we fix / enhance?

- Association Admin can continue merging pending duplicates! For a period of time pending duplicates weren't displaying in the table this has now been resolved - MySideline Association & Above Admin.
- To assist Program Admins, we have enhanced the autofill process for program creation - Program Admin.
- 'Blank' Program status is now included in the default display for / programs.
- Bug - Game Day Admin role no longer receiving clearance email receipts.
