# ROAD TO REGIONS

Your local club

Current and former Rugby League stars once again hit the road in 2023 to visit regional communities, including those devastated by recent floods, as part of the NRL 'Your Local Club' Road to Regions program.

From Roma to Alice Springs, the annual Road to Regions program has reached far and wide throughout February and March reaching over 25,000 participants.

### Teacher Feedback

- Simple message aligned well with our school values - Try, Grow, Learn. It has given me insight into how rugby league can be used to give positive messages
- Thank you for making the effort to visit rural locations-it means a lot to these communities
