It was a 'magical' week in South-East Queensland with the NRL's Magic Round arriving in Brisbane. NRL Game Development Officers and NRL Club Ambassadors engaged with over 4500 students and participants from across the region during Magic Round week, delivering a range of coaching clinics, school programs to wide range of schools and clubs.

Some lucky schools also had the chance to show their skills at a NRL Participation and Schools Programs showcase at Suncorp Stadium as part of the pre match and half-time entertainment.

The showcase featured our flagship - League Stars program, our Little League Stars Pre-School Program as well as our K/P-2 League Tag and Tackle Ready programs.

The NRL is excited to announce that it has been selected as one of the sports to be part of Sport AUS and Sporting Schools Year 9 and 10 Pilot Program for Term 3, 2023

The NRL Beyond the Goalposts program is a comprehensive training program for years 9 and 10 students spanning across 4 weeks. The primary objective of the program is to impart the necessary skills and knowledge, as well as physical and practical components required for officiating junior rugby league modified formats for participants between 6 to 12 years of age.

The program also aims to teach students the fundamentals of running and managing small gala days and competitions. Applications for this pilot program funding are now open until 5pm - 2nd of June 2023.

Ampol Little Origin sees ten primary schools win the chance to play on one of the biggest stages in Australian sport and take to the field at half-time throughout the NRL Ampol State of Origin and Women's State of Origin series.

Congratulations to the schools selected for the 2023 Ampol Little Origin Experiences. Not only will they play at half time of a Men's or Women's State of Origin game but they will also receive a \$5,000 grant to aid their school's Rugby League program. These students will also participate in a special training session alongside Rugby League icons as well as a League Star's Inspire program, as they represent their school in the Maroons or Blues jersey.

For the first time in 2023, the first 50 schools registered will receive their official NRL x Ampol Coaching and Equipment pack. Congratulations to those who entered, and we look forward to seeing these schools be represented throughout the State of Origin series.
