1. WELCOME

Welcome

Welcome to the 2026 School Rugby League Season.

Rugby league thrives on camaraderie, character and team spirit. Our great game brings students together, fostering values of respect, discipline, and teamwork, impacting many lives at such a pivotal age.

As we kick off the 2026 season, we are excited to see a new wave of talent and discover the future stars of our game. School rugby league holds a significant place in our sport, offering students the opportunity to actively participate at regional, state, or national levels. As the season progresses, young players will embark on their journeys towards the NRL and NRLW Premiership, following in the well-trodden footsteps of many elite players who participated in school competitions just like this.

At the NRL, we recognise the vital role teachers and sport play in shaping the lives of school students. We are closely aligned with schools in valuing education and believe academic growth is essential in developing young players into well-rounded individuals. By encouraging our elite players to pursue tertiary education alongside their sporting careers, we ensure they have diverse career opportunities beyond rugby league.

I would like to thank all the schools participating in our sport this season with special recognition to the state, district, and regional convenors for their tireless efforts, as well as the principals, teachers and parents who make the 2026 competitions possible.

Best wishes to everyone competing this season. I look forward to seeing the spirit and sportsmanship in every game as our young players embark on a rugby league journey filled with opportunities to safely play, connect, and thrive.

Andrew Abdo
Chief Executive Officer
National Rugby League
