

## **TERMS AND CONDITIONS**

I give permission for my child to participate in this National Junior Participation Program (the Program) organised and conducted by National Rugby League Limited (NRL).

I acknowledge that there are some risks involved in sport programs such as the Program; and I accept NRL, its employees and agents will not be liable for any injuries sustained by my child while participating in the Program.

Rugby League is a sport which carries risk of personal injury. NRL takes considerable steps to reduce the risk of serious injury in the Program, but it is not possible to eliminate risk entirely. By accepting these Terms and Conditions, the participant and/or parent or legal guardian voluntarily assume the risks associated with participating in the Program and acknowledges this related warning.

Whilst some limited statutory insurance cover is available in certain States for participants of Rugby League who suffer injuries, the Civil Liability legislation in each State (the Acts) limits the liability of NRL (including its volunteers, members, employees and officials) from civil litigation arising out of injuries suffered whilst participating in Rugby League.

## **REFUNDS AND CANCELLATIONS**

The fee paid by each participant of the Program covers the costs associated with program delivery and the promotional pack delivered to your nominated postal address. Following the completion of the online registration form for the Program, the participant pack is distributed directly to each participant via mail by an external supplier engaged by the NRL. Each pack is produced on demand, as such, once the pack has been dispatched, the participant is unable to return the items and seek a full registration fee refund.

A participant will be entitled to apply for a partial refund under the following conditions:

- The equivalent of 50% or more sessions are missed due to:
  - o Verified injury or medical reasons
  - o Adverse weather resulting in session cancellation
  - o Individual or multiple sessions cancelled by a representative of the NRL
- The entire program (i.e. all scheduled sessions) is cancelled by a representative of the NRL
- The entire program is rescheduled or relocated
- Participants notify the program coordinator of their intention not to partake in the program 5 business days prior to the commencement of the program and do not attend a single session

If a participant is unable to attend single or multiple sessions due to reasons not aforementioned and are beyond the NRL's control, the participant will not be refunded.

If deemed eligible for a refund, you will receive the participant fee less the cost of the pack. The participant pack is valued at \$35.
