How Optional Cover Works

Optional Personal Injury cover is designed to provide a loss of income benefit in addition to the other benefits the NRL Masters Carnival and Gala Day Group Personal Injury Insurance policy Schedule of compensation. Currently, weekly benefits for loss of income is not insured.

For example, if an Insured Person earns a weekly income of \$500.00 per week and he or she decides to purchase the optional cover of \$200.00 per week, then based on the income declared, the benefit will then be assessed at 100% of declared Income (\$500.00 up to the chosen limit). Therefore, under Section B – Event 18 the Weekly Income benefit would be \$200.00 per week.

Importantly, to be entitled to the above cover the Insured Person must satisfy the policy definition of Income. To receive the full benefit amount the Insured Person's Income must be **GREATER** than the benefit under the extra benefit cover purchased (as per the above example).

Note, the additional cover commences from the date the Top Up form is completed and the premium has been paid to SLE Worldwide Australia Pty Limited. **Cover cannot be backdated.**

COOLING OFF PERIOD

Even after an Insured Person is issued with the additional benefit cover, they still have cooling off rights. The Insured Person can cancel the additional cover by notifying Us in writing at the address below or via email, within 14 days from the date the Insured Person signed the form. If the Insured Person decides to cancel the additional cover within the cooling off period, We will refund the Premium paid (except any amounts of tax or duties which We are unable to recover), unless during this period the Insured Person has made a claim under the Policy.
