

MORE KIDS, MORE FAMILIES, MORE VOLUNTEERS!

- Rugby League will offer safe, enjoyable, community friendly participation opportunities in various formats that are effective in recruiting and retaining players.
- Provide various game models and registration policies to cater for all developmental stages minimising the impact of relative age effect and variances in stages of maturation.
- Consistent delivery model & competition structures to be implemented nationally aligning with recommended stages of early & late specialisation.
- Encourage players to transition into coaching, officiating, administration and volunteering roles promoting life long participation in the sport.

ATTRACT & RETAIN PARTICIPATION
